

## Mentee Application

OPEN (Out Professional & Executive Network) is one of Madison's signature professional development organizations. Focused on the LGBTQ community, OPEN strives to connect and create LGBTQ talent in the Madison Region and to serve as a professional development organization for those with growing careers.

OPEN is offering a mentoring program throughout 2015. The purpose of this free program is to match OPEN's senior members with those that are still developing their careers or looking for new opportunities. We ask that both mentors and mentees are current members of OPEN. Please contact [info@openmadison.org](mailto:info@openmadison.org) if you need assistance in becoming a member or renewing your existing membership.

Please review the attached "Mentor/Mentee Program Description." If you remain interested, complete the sections below and submit to [info@openmadison.org](mailto:info@openmadison.org). Thank you!

**Name:**

**Title:**

**Company:**

**Address:**

**Email:**

**Phone:**

**Why are you interested in becoming an OPEN mentee?** What are some of your career goals? Are you interested in advancing in your current field, or switching to a new career in a different field?

**Professional Experience:** Please summarize your work experience, and attach a resume/CV if you have one.

**Community Involvement:** Please describe any volunteer activities and community organizations you participate in, including participating in OPEN activities.

**Personal Interests:** Share a little about yourself and any hobbies or interests you have.

**Program Interest:** What do you hope to get out of the experience? Why do you want to be a Mentee?
